

Professional Referral Exchange

Bringing you the World ... One Referral at a time!
www.aberdeenpre.com

Would you like to have a steady stream of new customers for your business?

The Aberdeen Chapter of the Professional Referral Exchange is seeking members to complement our diverse group, and we want to invite you to be our personal guest at a SPECIAL Open House Meeting on **Wednesday, June 16, 2010**. The Aberdeen Chapter of Professional Referral Exchange meets every Wednesday at 7:45 AM at Pizza Hut, 1410 Handlir Drive, Bel Camp, MD (off of RTE 7). A complimentary breakfast is available for guests.

Professional Referral Exchange (PRE) is an organization of professional men and women, one in each business category, who promote each other by using a proven networking model for increasing business through the exchange of qualified referrals.

PRE's success is attributable to teaching members a proven model for using "word of mouth" advertising. We are the largest networking organization in the Eastern United States with hundreds of members located in Pennsylvania, Maryland, Indiana, Ohio, and Connecticut. During 2007, more than \$35 million in qualified referrals were exchanged and, in our Aberdeen Chapter, over 76% referrals closed with sales!

Our members are the key to PRE's success, and they receive a unique business listing at <http://www.prenetworking.net>, as well as more individualized exposure on Aberdeen PRE's website at www.aberdeenpre.com. In addition to web listings, members are scheduled on a regular basis to speak about their services. This teaches fellow members how to act as your "sales force" and help your business grow through referrals.

Bring your business cards, any brochures you have describing your services, and plan to present a 3-minute infomercial. Since seating is limited, please RSVP to 410-836-6204 or 410-893-4019 by June 11th regarding your attendance. You can also email us at contact@aberdeenpre.com.

See you at Pizza Hut!
